## ADDITIONAL CLARIFICATION

If necessary, add additional explanations here that will help us interpret how your completed work satisfies requirements for the designation.

## **INTELLECTUAL CURIOSITY**

A core value of the University Honors College is intellectual curiosity, which animates students to seek breadth in their intellectual challenges. Please explain how you satisfy this requirement by either: a) listing the honors course or HCE you completed outside your major; b) listing your double major or second degree; c) explaining why you believe you satisfy the intellectual curiosity requirement in some other way.

## **SOCIAL CONSCIOUSNESS**

A core value of the University Honors College is social consciousness. In a 250-500 word statement, applicants should describe how they showed concern for others during their undergraduate career, reflect on the impact they made, and describe what they learned. Examples may include, but are not limited to, a community-based research fellowship, teaching assistantship, tutoring, leadership in a service organization, service in a clinical setting, or organizing for social change.
